Why Should I Enrol?

Target students of this qualification reflect the role of individuals who are seeking to learn how to apply specialised knowledge and skills, together with experience in leadership and management, across a range of enterprise and industry contexts.

Target students will use initiative and judgement to plan and implement a range of leadership and management functions, with accountability for personal and team outcomes within broad parameters. They will learn to use cognitive and communication skills to identify, analyse and synthesise information from a variety of sources and transfer their knowledge to others, and creative or conceptual skills to express ideas and perspectives or respond to complex problems.

BSB60420 | Advanced Diploma of Leadership and Management

Are you suited?

Entry requirements

Entry to this qualification is limited to those who:

- Have completed a Diploma or Advanced Diploma from the BSB Training Package (current or superseded equivalent versions).
- or
- Have two years of equivalent full-time relevant workplace experience in an operational or leadership role in an enterprise.

Students must be over 18 years of age.

Students who are currently in Australia on a student visa may not enrol in this program.

It is expected that classes that take place at the Brisbane City training facility will include:

- Fee for service students who are suitably experienced and employed
- Students who have been enrolled by a corporate client

Successful graduates will receive a BSB60420 Advanced Diploma of Leadership and Management.

IMPORTANT:

Students should consider this training program to be twelve (12) months of study, research, training, and assessment. Students must be prepared to engage with Australia International College of Business & Technology for 12 months, be willing to contribute their own time, effort and resources, and be genuinely committed to working towards a satisfactory outcome.

Course Details

Student Selection

Australia International College of Business & Technology acknowledges that applicants will already hold skills, knowledge and experience that are integral to completing this training program within the described time frame. Australia International College of Business & Technology will confirm if applicants are suited to the training program in which they enrol and be given the best opportunity for a positive vocational outcome.

Our enrolment process includes:

- Pre-enrolment Questionnaire
- Language, Literacy and Numeracy Assessment
- Skills, Knowledge, Experience Assessment

Language, Literacy, and Numeracy (LLN)

Enrolment requires English proficiency equivalent to International English Language Testing System (IELTS) band 6.0 or higher. Our courses include written materials and numerical calculations, so this ensures all students have the necessary language skills to succeed.

Recognition of Prior Learning (RPL)

Australia International College of Business & Technology appreciates the value of workplace and industry experience and recognises that students will acquire vocational skills and knowledge from a variety of sources other than formal training. These skills are legitimate irrespective of how they were acquired and the RPL process is designed to provide validation of such relevant skills.

Recognition of Prior Learning (RPL) is an assessment process that assesses an individual's formal, non-formal and informal learning to determine the extent to which that individual has achieved the required learning outcomes, competency outcomes, or standards for entry to, and/or partial or total completion of a VET qualification.

RPL System

Australia International College of Business & Technology utilises the online Recognition of Prior Learning assessment platform: RPL Assess. An RPL applicant will be provided with access to the platform and given clear instructions on how to upload their evidence. The RPL Assess Explainer Video will provide more detail.

Program of study

The program is delivered over a period of twelve (12) months.

Specifically, 40 weeks of training, study and assessment.

Face to Face

Day 1 & 2
(for each unit for two weeks)
